PATIENT DIARY/PATIENT REMINDER CARD

(Consisting of Instructions for Use and Medication Record)

Information is essential to ensure the safe and effective use of Exelon Patch

This document is approved by The Executive
Directorate of Pharmacovigilance, at SFDA

Exelon[®] (Rivastigmine) SFDA approved
RMP Educational Materials V 6.3 Aug 2025

INSTRUCTION FOR USE OF EXELON® PATCH (Rivastigmine Transdermal System)^{1,2}

- These instruction for Use and Medication Record Sheet are essential to ensure the safe and effective use of Exelon Patch.
- If you have any questions or require more information, please read the package information leaflet that came with medicine.
- If you are not sure about anything, please ask your doctor or pharmacist.

Important to Remember

- Take off the previous patch before putting **one** new patch on.
- Only **one** patch per day.
- Do not cut the patch into pieces.
- Press the patch firmly in place for at least 30 seconds using the palm of the hand.

How to apply

1. Carefully remove the existing patch before putting on **one** new patch.
2. Remove the new patch from the sachet.
3. Peel one side of the protective liner off the patch.
4. Stick the patch on the upper or lower back, upper arm, or chest and peeloff protective liner.
5. Press the patch firmly in place for at least 30 seconds.

Where to apply

- Take off the previous patch before putting **one** new patch on.
- Apply **one** new patch in one of the following zones every day.
- You can use the same zone (**A or B or C or D or E or F or G or H**) but do not use the same exact spot within the same zone.
